PETITION UNDER 37 C.F.R. §1.322 FOR
APPROVED CERTIFICATE OF CORRECTION OF OFFICE MISTAKE

Sir, JUN 9 1986
OF THE COMMISSIONER OF PAT. & T.M.

The undersigned agent for the assignee of record, Mead Johnson & Company, in behalf of said assignee hereby respectfully petitions the Honorable Commissioner of Patents and Trademarks to issue a Certificate of Correction for U.S. Patent No. 4,182,763 in the form attached hereto. A copy of said patent is also attached.

The mistake appears in claim 5 which states that claim 5 is dependent on "claims 2, 3 or 5," whereas the dependency should have been on "claims 2, 3 or 4." It is believed that the mistake occurred during the printing of the patent. A copy of the original claims is attached and shows that the dependency of claim 5, as filed, was on "claims 2, 3 or 4." The dependency of claim 5 was not changed during the prosecution of the application for said patent.

Please charge any fees for the Petition or in connection therewith to Deposit Account No. 02-3825.

Respectfully submitted,

Dated:

October 2, 1955
